

ADDENDUM TO THE 2005/06 – 2007/08 SERVICE PLAN UPDATE — SEPTEMBER 2005

The Ministry will be accountable for the following additional strategy and performance measure, which will be reported in the 2005-2006 Annual Service Plan Report. This addendum does not constitute part of the 2005/06 – 2007/08 Service Plan Update September 2005.

Additional Strategy:

- To focus on the role of School Planning Councils within the school organization.

Additional Performance Measure:

- Under development.

Objective 7: *Build capacity of School Planning Councils*

To support and strengthen the contributions of School Planning Councils (SPC's) and to further support the role of School Planning Councils in decision-making at the school level, the Ministry of Education will focus on four key strategies. The Ministry will provide learning opportunities for SPC's through both traditional and web-based training sessions, and will focus on the important role of School Planning Councils in the District Review and Accountability Contract processes, and within the school organization. A qualitative and/or quantitative performance measure for each strategy is under development.

Strategies:

- To provide training opportunities to build capacity in School Planning Councils.
- To focus on the role of School Planning Councils in District Reviews.
- To focus on the role of School Planning Councils in Accountability Contracts.
- To focus on the role of School Planning Councils within the school organization.

Performance Measures:

23. Under development.
24. Under development.
25. Under development.
26. Under development.
