## Strategic Direction

In 2026/27, the Government of British Columbia will prioritize support for people by taking action to make life better for everyone.

Despite a challenging fiscal environment due to global uncertainty, trade relationship reordering, and low resource prices, over the past year Government made significant progress on efforts to reduce costs for British Columbians, hire more doctors and nurses, and build more homes, hospitals and schools, faster. Government will continue to advance these key priorities even as tariffs, trade policies, and instability outside of the province's borders continue to put pressure on the province's finances.

Ongoing fiscal pressure means all parts of Government must continue to do their part to maximize efficiencies and make sure every dollar counts.

To respond to these extraordinary times, Government will focus on expanding trade and investment both within Canada and abroad and delivering major projects that offer good jobs and opportunities for people and communities. This focus on economic growth and prosperity is critical to delivering the revenue needed to provide services and infrastructure.

Good relationships and mutually beneficial partnerships with First Nations are critical to building a better future for everyone in British Columbia. Government will continue working diligently to implement the Declaration on the Rights of Indigenous Peoples Act Action Plan. Through collaboration and open dialogue, we aim to foster trust, stability and certainty for all.

This 2026/27 service plan outlines how the Office of the Premier will support the government's priorities and selected action items identified in the mandate letters issued by the Premier to ministers and parliamentary secretaries in January 2025.

## Purpose of the Office of the Premier

The Premier serves as the President of the Executive Council (Cabinet) of the Government of British Columbia. The Office of the Premier assists the Premier in overseeing and leading government. In addition, it supports the Cabinet decision-making process. The Premier is advised by the Deputy Minister to the Premier, Cabinet Secretary and Head of the Public Service on matters of public policy and management and operational issues. The Office of the Premier:

- Articulates government's goals, commitments, and priorities through minister mandate letters, and works with ministries and Crown agencies to ensure communication of those goals, commitments, and priorities and to track and monitor their implementation.

- Leads the public service and, with the Deputy Ministers' Council, commits to be a top employer that maintains and enhances public trust, builds capacity, increases our competitiveness, and manages for results.
- Provides support for the operations and decision-making processes of Cabinet and its committees; and
